Letter from the Heart

Dear Praise Dancer,

I first off want to thank you for your willingness and participation in the Rebirth process of the Cornerstone Praise dance ministry. As GOD begin to lay it on my heart to start the ministry I earnestly prayed that my heart and motive was right. As I slept at night, I envisioned so much for the ministry, and God truly gave me direction in the way to lead this ministry. My husband says that I often praise dance in my sleep! With that being said, I pray that you will pray with me and Heather as we embark on the journey of teaching and leading others through praise and worship and dance.

I believe that God speaks to his people in different ways and one of the ways that I have connected is through dance and my personal relationship with Christ. Being a praise dancer is anointing, and a calling. So I would pose the question what is your true purpose for wanting to be a praise dancer? For some praise dancing is a new idea, for others its not new, but GOD is going to do a NEW thing in this ministry. Allow him to awakening your senses, and creativity and let the anointing fall fresh. Trust in him and let him lead and guide you, I promise he will never disappoint.

I chose the name Rhema Dancers because Rhema in Hebrew means "Right Now" For such a time as this....

Dancing can be so powerful! And I have truly encouraged myself through dancing, I have had the privilege to see strongholds being broken, and breakthroughs come forth. So I challenge you to see what GOD is about to do in the lives of his people.

Cordially,

Sister Semico Parson
